

PGA COACHING CLUB

Help yourself start to reach your potential, without the pressure of “performance.”

Instead of the typical private 40-60 min lesson format, students will develop skills in a fun, social environment we call “COACHING HOURS.” These coaching hours, scheduled at regular intervals each week make the following benefits possible:

- maximum schedule flexibility for Coaching Club participants
- fun, social learning environment with a relevant topics to help you improve
- great value

Our PGA Coaching Team, led by Howie Pruitt, PGA, will provide teaching and coaching during various sessions in a small to medium size group setting on a relevant topic, (like full swing, greenside bunkers, hybrids, trouble shots, fairway bunkers, etc.) After the lecture on the topic, the remaining 45 minutes of the session will be spent giving each attendee a brief coaching session on the topic or whatever pressing issue they would like to have address. As a result, students will progress steadily in their skill set, and work along with our “coaching staff.” Ideally, students will take part in at least one “coaching hour” per week for one entire year...or at least for one or two four month blocks.

We will make sure you have fun each step of the way. Thanks for your interest in this very special program!

- COACHING CLUB FAQ:

Is the Coaching Club a “supervised practice” program? No, it’s a “low commitment,” high benefit social learning “club.”

Do I need to attend all sessions per week or more than one? No, we’d prefer you don’t as each Coaching Hour in a given week will be redundant...remember, it’s designed for your schedule so you can learn, grow and develop your game when it fits your schedule.

Can I bring a friend? Sure, we have we have drop-in pricing ... in fact, we’d love to have them.

Can I “drop in” or “audit” the Coaching Club to check it out? Absolutely...our drop-in fee is designed to make it easy, and reasonably priced, so you (and hopefully a good friend,) can check it out.

Sign-up in the Pro Shop. Our First Club meeting will be June 17th at 5:30 on the Practice Range.
